

090615 Clubmaker's 48" Classic ruler

A clubmaker's ruler made from a springy custom aluminium extrusion. We've embedded a scale with industry standard club length for men & ladies and added metric as well as fractional length measurements for precision and accuracy.

Key Features:

- Measures clubs up to 48" long
- Metric and fractional scale
- Industry standard club length scale
- Suitable for shaft tipping.
- Straight extrusion with spring feel

Floor to grip cap measurement
