

150705

Heavy Duty 360° swivel base

This Heavy Duty swivel base let clubmakers gain complete control over the position of a bending gauge, instead of working around it! Improves accuracy, adds control, saves time and eliminates fatigue when having to work through a whole set of irons. Quickly switches between left & right-handed clubs.

Heavy-gauge steel construction and fitted with two quill lock handles. Swivel base bolts onto all our 1507XX bending stands and heavy duty work benches. Ships with bolts nut and backing washers.
